

MND Wellbeing Programme – Referral Criteria

Thank you for your interest in our Motor Neurone Disease wellbeing programme.

To access the service the patient will need to be:

- Diagnosed with MND/Caring for someone with MND
- Living in East Cheshire
- Living at home i.e. not care home or hospital
- Able to transport themselves/arrange transport.

Please note that due to limited staffing on this day, we can only meet the needs of patients who are either self caring or have their carer with them e.g. to help with feeding & toileting. We also encourage the carer to attend in order to support them in their own right.

Should you have any further queries about referrals to the service, please contact the Sunflower Wellbeing Centre team on 01625 665685.
