This Easter at East Cheshire Hospice, we are encouraging people to spend time with those that matter to them (be that in person, or virtual), have some fun and help to raise important funds for the Hospice.

We have suggested Saturday 3rd April 2021, but feel free to schedule your get-together for a date and time that suits you.

The 'Headliner' for our Easter Fundraising event is a Bake-Off and we have also included some 'Support Act-ivities' to keep you entertained – there is something for everyone so let's have a cracking time this Easter!
