Top Fundraising Tips!

As your sign-up fee only covers the cost of running the event, we do ask that everyone tries to raise at least \pounds 50 of sponsorship. Every penny you raise goes directly towards providing Hospice care and your sponsorship really does make a huge difference in helping us to continue to provide care in your local community. If everyone that takes part raises \pounds 50 that will make an incredible \pounds 15,000 for the Hospice!

Alternatively, you could make a donation to the Hospice of £50 if you would like.

Here are five top tips to get your fundraising off to a flying start!

1. Set up an online giving page

An easy and quick way to start raising sponsorship is by setting up an online giving page via <u>https://www.justgiving.com/start-fundraising</u>. Follow their simple steps and any donations made on your page will come directly to East Cheshire Hospice.

2. Tell your friends and family

Now you've set up your fundraising page, it's time to tell your friends and family! Any donations made via your online sponsorship page come directly to the Hospice and you can quickly and easily send the link to your family, friends and colleagues anywhere in the world! You can also put the link on your Facebook, Twitter and LinkedIn pages to encourage friends to support you.

3. Don't forget to ask for Gift Aid

If your donor is a UK Tax Payer, ask them to tick the Gift Aid box. This means that East Cheshire Hospice can claim an extra 25p for every pound donated.

4. Ask your workplace to support you

Many companies offer matched giving programmes and will double the amount you raise.

Good luck with your fundraising, we look forward to hearing how you get on!
